Chaplaincy & Wellbeing Support Group

The next Chaplaincy and Wellbeing Support Group fundraiser is NEW! **Seed Creations Australia** is a Sydney based company that promotes gardening for the whole family. They have a range of tiny, cute pots that have everything you need to start your own mini garden. Seeds available are tomatoes, strawberries, basil, lavender, mixed dainty flowers or just grass that turns into hair on top of fun animal or character pots. Flyers and order forms were sent home to all Prep to Year 9 students early this week. Order forms and money will be due back by November 18th and orders will be delivered in the first week of December. These are great healthy and inexpensive gifts for Christmas, as well as end of year thank-yous for teachers or coaches.

The **Trivia Night** tonight is going to be great! There will be a mix of music and general trivia questions as well as some games and entertainment. We have been offered a painting by our own very talented Marg Nigro who works in the General Office. This will go in a Silent Auction, as will some wonderful woodwork by Geoff Spink, some fabulous jewellery handmade by Dawn Hird and a family pass to Santa's Magical Kingdom at Caulfield Racecourse. We even have a giant Toblerone! We will also run a small raffle. So bring some gold coins along with your drinks and nibbles, and join us for a fun night.

Many thanks for the brave and stalwart crew who helped out in very wintry conditions last Saturday on the Sausage Sizzle for the Council Election. We had a steady stream of customers and ended up raising \$760. Particular thanks go to Judy Edwards who was there for half the day, and to our ever helpful Year 9 student Ethan Billman, who was there for the entire time (in a t-shirt, but he said he wasn't cold!). And we will be doing it all again on **November 5th at Masters Northland!** They are still trading (in fact they are quite busy!) and our long time booked Saturday has been confirmed. **If anyone is able to give any time to help with this BBQ we would be very grateful!** Please contact me on 9459 2278 or 0411 883 904. Thank you!

Our last fundraiser for the year (apart from the second hand book sale) is another **Heidelberg Theatre Company** night. We have only 20 tickets available for the play, **'One Man, Two Guvnors'** on **Thursday November 17th at 8pm. Tickets are \$25 for Adults and \$20 Concession** and available from the Office. This is quite a well-known British play and is very funny. Get in quick to get your ticket!

Seed Creations Fundraiser

Dear Parent/Guardian,

Attached is a flyer and order form for the Macleod College Chaplaincy and Wellbeing Support Group Seed Creations Fundraiser. Seed Creations Australia is an Australian company based in NSW that promotes gardening for the whole family.

The products available to order are:
Mini Garden Pots that include everything you need to start growing your own Strawberries, Tomatoes, Basil or Lavender

Garden Gem Cubes containing a mix of delicate and dainty flower seeds

Grow Hair Cubes which are a whole range of animal and character pots that will look fantastic as the lush green grass grows.

These cute, healthy and inexpensive products make great gifts for Christmas, as well as for end of year thank you gifts to teachers or coaches.

Order forms and money are due back to the General Office by Friday 18th November. Orders will be delivered in the first week of December.

Thank you for supporting the Chaplaincy and Wellbeing Program.

Year 8 Tennis Program

Last Friday, twenty Year 8 students were involved in a Gala day to mark the end of their involvement in the Youth Participation project. Last term they had been involved in a six week tennis program run at the local Macleod Tennis courts by qualified coaches. The Youth participation tennis program will run again this term with the Year 9 students.

Sharyn Moussa (PE Co-ordinator)

On Friday 21st October, Year 8 Macleod College students participated in a 'Gala' Tennis Day at Rod Laver Arena indoor courts. We participated in a range of activities including cardio tennis and doubles games against Boronia and Kingswood College. In the end we got a free Tennis racquet and pedometer to keep. It was a great day, We would also like to give our thanks to teachers Mrs Moussa for organising the activity and Mr Orfanidis for supervising us.

International Student Program NEWS

VCAL and International Student Excursion - Friday 14th October 2016

The 2016 VCAL class organised an excursion for all Year 7-12 international students to Etihad Stadium, Melbourne Star and the Ice House Skating Ring.

Marcus Tran who is in year 10 attending the English Language Centre wrote the following report about this excursion:-

Last Friday, the International students of Macleod College had an excursion to CBD of Melbourne. At 9:00am we walked from school to Macleod Station to catch a train. Luckily, on the train there were not so many people so we had plenty of seats. We talked a lot on the train as we were excited to be out of school. Two teachers accompanied us. Our coordinator Ms Colleen Cochrane. Mr Corey Assender who is the VCAL teacher as well as Ms Greta Kechayas.

Firstly we went to Etihad Stadium. I was very excited because that was the first time I have been to a stadium, I took a lot of photos. There was a guide who worked at the stadium. He showed us many rooms, he told about history of the stadium. Thanks to him, I learnt a lot of useful information about events held at the stadium as well as the architecture.

Next, we visited the Melbourne Eye. It was so big and safe, too. We were in a cabin to see the scenery of the city. It was fantastic! We could see buildings, traffics, boats,... How beautiful it was! My friends and I took so many pictures from different views. It was awesome to have a 'bird's eye' view of the city. It took us thirty minutes to rotate round. Then, we had one hour to rest and have lunch.

At half past one in the afternoon, we moved to the ice- skating ring, which was called: "O'BRIEN Group Arena". At first I was so nervous because I had never skated before. But after learning some introductory moves, I thought I did pretty well. I just needed to balance myself and do the techniques correctly and I could do it. Unfortunately, some of my friends could not skate at all and were constantly falling over. We had a good time together. Lastly we got on the train and went back to school. Even though we were a little sore, we had a nice day. **Marcus Tran Year 10**

The English Language Centre students are eager to share some thoughts about the day:

'Everyone had fun ice skating. What a big stadium Etihad is! I heard that if you make a vow at the highest point on the Melbourne Star, your wish will come true' **Ingrid Bao Year 10**

'Etihad stadium is very big. Melbourne Star is very high. Ice skating was fun but very difficult for me'. **Esther Guo Year 7**

'I learnt about the history of Etihad stadium. On the Melbourne star, I can see a great view of the city. I love ice skating, it was my first time and I felt very excited'. **Mingya Sun Year 10**

'It was hard to stand up when I was ice skating'. **Linda Wu Year 7**

'After my horrible experience at ice skating, I learnt something. Never giving up is a good motto - but sometimes continuous failure will crush your will!' **Phuc Nguyen Year 9**

'I am so sad that I missed this excursion. I had to go to the city to do a language test instead. I felt pity that I lost this chance to play with my classmates. However, I went ice skating with my friends last Sunday. It was great!' **Karen Liang Year 10**

'Etihad stadium is amazing because it has great WiFi. From the top of the Melbourne Star I can see all of the city. This was my second time ice skating. Compared to the first time, I was able to skate better'. **Haoyu Wei Year 9**

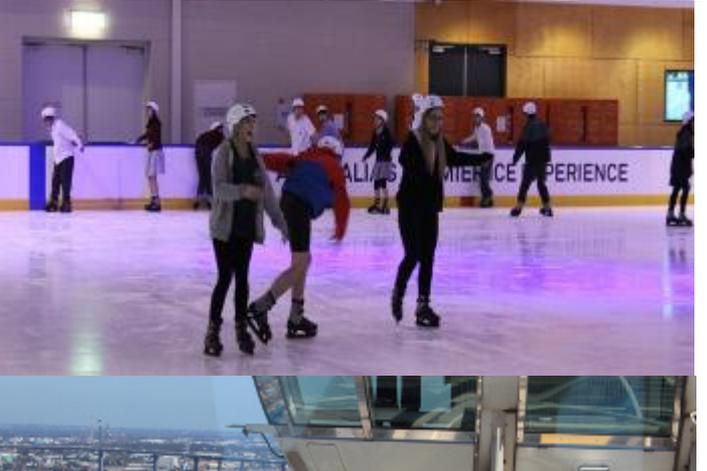

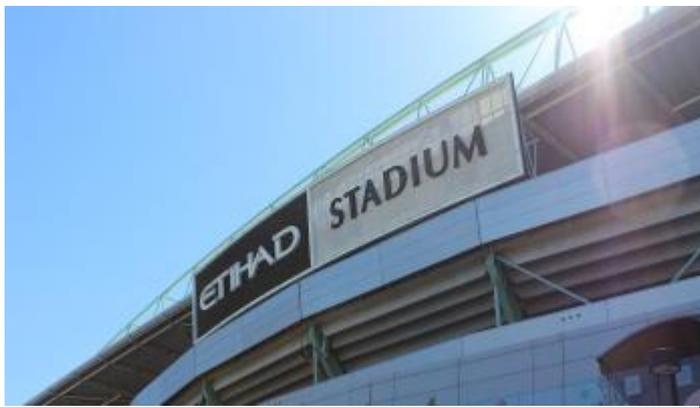

'Etihad is a huge stadium where sport and concerts are held. I saw many unfamiliar things there. Melbourne Star is so high, I saw all of Melbourne. Ice skating was very interesting. It was difficult to stand'. **Richard Liu Year 9**

'The guide told us about the history of Etihad stadium and events. On the Melbourne Star, I enjoyed a 'bird's eye' view of Melbourne. We went ice skating together and experienced the joy of falling on ice together'. **Becky He Year 10**

'I constantly fell down on the ice and my friend Miya kept on helping me get up'. **Angelina Lai year 9**

'Etihad Stadium is really big, I learnt a lot about football history. Melbourne is a beautiful city up high on the Melbourne Star. Ice skating is cool and interesting.' **Xian Jinqianxi year 9**

'Etihad Stadium is very big, I learnt about the history of football. I enjoyed the Melbourne Star, It is a brave new world when we got to the top. Ice skating was very funny. Angelina constantly fell over and Miya tried to help her. I laughed a lot'. **Claire Li Year 10**

International Students

Year 12 VCE exams are upon us! This year we have one international student completing Year 12. Phuong PHAN has been our International Student Captain and we wish her every success with her exams.

This term we welcomed a student from Malaysia. Jin Hoong is in Year 5 and has settled into his class well and is enjoying making new friends. Jackson Zhang has also commenced in Year 8 from China. Please extend a big Macleod College welcome to our new students.

At the end of Term 3 we farewelled Jamie Zhu, Rainy Shi, Darren Shi and Lily Bui. It is always a little sad when we farewell our students as we build such strong relationships with them while they are in our care. Some have returned to their home country and families while some have moved on to other schools closer to where they are living.

Some families make enormous sacrifices to send their children to Australia for their education and there are times when going home is a necessity, not a choice. Whatever the future holds for these students we wish them a bright future and hope that their time at Macleod College has given them the education, resilience and confidence necessary to thrive in a global world.

Homestay Families Needed

When looking for a homestay family we ask ourselves whether the family has, or could have, each of the following criteria in place:

- A furnished spare bedroom with a bed, wardrobe, desk and lamp (or alternative study space)
- Provide a welcoming and caring home away from home by including the student in the family's commitments and social calendar
- Provide quality food and living standard, no extravagance required
- Encourage the student to immerse themselves in Australian culture and the English language, making networks to enhance the student's experience
- Ability to pass a Working With Children Check for all over 18's in the house
- Provide the complete package for a weekly fee of approx \$280 (personal expenses excluded)
- Is there a student that will fit with this family based on personal preferences, extracurricular activities and family composition?

Remember you don't have to commit to a lifetime of provision and you can always change your mind as your circumstances change.

Please contact the International Student Program Coordinator, Colleen Cochrane, for more information.
Email cochrane.colleen.m@edumail.vic.gov.au or call 9459 0222.

Halloween is upon us and we have again been able to see how much the community, of all ages and nationalities, love this day of the dead! We all dress up as ghosts and ghouls with elaborate costumes and makeup and it always amazes me how much cross cultural participation this silly American day inspires in the Macleod Community. I was one of the original people to wonder why on Earth we were dressing up for Halloween in Australia, but have come to enjoy the day because of the barriers it breaks down and the fun we all have.

HALLOWEEN IN THE ENGLISH LANGUAGE CENTRE.

ONE MAN, TWO GUVNORS

The smash hit comedy
by **RICHARD BEAN**

based on *The Servant of Two Masters*
by Carlo Goldoni, with songs by Grant Tinker
directed by Chris Baldock

About the play

One easily-confused and ever-ravenous Francis Henshall finds himself a minder of two men, a gangster and a criminal in hiding, both of whom are linked in a web of schemes, extortions and romantic associations. To prevent discovery Francis must keep his two guvnors apart at all costs. But it's tricky. Mistaken identities, cross dressing and multiple mishaps soon coalesce to engulf him in pandemonium.

This internationally-acclaimed smash hit is a glorious celebration of British comedy. It has a wonderful mix of satire, slapstick and witty one liners.

What people are saying...

What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember when memory is the first thing to go!

I realized quickly that the 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child, who later down the line, needs excessive discipline or grows out of control

What parents have said...

A step dad recalled an incident at the weekend with his 12 year old step daughter. He said that the input he had received the previous week from the course helped him keep his cool and brought a more favourable outcome.

A single Mum who had presented as quite anxious on the first night told the group in week 2 that she had made an appointment with her 15 year old son during the week and had

had a far more favourable discussion with him than would previously have been the case.
