

Newsletter Issue 9, 27<sup>th</sup> June, 2017

## IMPORTANT DATES TO REMEMBER

**CURRICULUM DAY MONDAY 17<sup>th</sup> JULY - PUPIL FREE**

**STUDENTS RESUME TUESDAY 18<sup>th</sup> JULY**

## SEMESTER REPORTS

Semester reports for Year Prep - 12 students are accessible on line via COMPASS tomorrow, Thursday 28<sup>th</sup> June.

COMPASS can be accessed through the link on our website at [www.macleod.vic.edu.au](http://www.macleod.vic.edu.au)

Please use your login code and password that has already been issued to you. If you have forgotten your login and password please contact the General Office 9459 0222.

## Principal's Report Reports

Your child(ren)'s report will be available on line via our information system COMPASS tomorrow morning.

Please take time to read this report very carefully. Do not hesitate to contact teachers if you have any questions or comments to make about what is included in the reports. It is very important that we work together to maximize your child(ren)'s successes and address their areas for growth.

## Curriculum Day - Monday 17<sup>th</sup> July

Monday 17<sup>th</sup> July, first day of Term 3 will be a pupil free day as staff will be involved in Curriculum Meetings. **Students will resume on Tuesday 18<sup>th</sup> July.**

Semester 1 has been extremely busy and I would like to thank the staff, students and parents for their outstanding efforts this semester.

In conclusion I would like to wish everyone a great semester break with a reminder to our Year 12 students that at least half of their break should be spent doing some form of study.

**Mario Panaccio**  
Principal

## CALENDAR

### JUNE

Thursday 28<sup>th</sup>  
9am Student Semester Reports available on COMPASS

Friday 30<sup>th</sup>  
OUT OF UNIFORM DAY  
Last Day Term 2  
2.20pm finish

### JULY

Monday 18<sup>th</sup>  
Curriculum Day - Whole School Pupil Free

Tuesday 18<sup>th</sup>  
Students resume

### AUGUST

Wednesday 2<sup>nd</sup>  
7pm Parent Information Night Year 11, 2018  
7.30pm Parent Information Night -VTAC current Year 12

Friday 4<sup>th</sup>  
Year 10 & 11 Formal

Tuesday 8<sup>th</sup> - Friday 11<sup>th</sup>  
Music Camp

Friday 11<sup>th</sup>  
5pm - 9pm Christmas Market

Wednesday 16<sup>th</sup>  
6.15pm College Council

Wednesday 16<sup>th</sup> - Friday 18<sup>th</sup>  
Year 12 German Camp

Tuesday 22<sup>nd</sup>  
Year 10 Interviews

Wednesday 23<sup>rd</sup> - Friday 25<sup>th</sup>  
Year 5/6 Camp Rumbug

Wednesday 30<sup>th</sup>  
Parent/Teacher Interviews  
1pm - 5pm & 6pm - 7.50pm

If your child is absent from school please record their absence by:  
calling 9457-0207  
or emailing  
[absence@macleod.vic.edu.au](mailto:absence@macleod.vic.edu.au)

### Guest Chefs - Year 9 Patisserie

Year 9 Patisserie students have begun a 'Guest Chefs' series where staff members at Macleod College are teaching them one of their favourite recipes.

On Tuesday 13<sup>th</sup> June they had no other than Principal Mario Panaccio making Chewy Almond Biscuits with Zabaglione.

### Year 10 & 11 Formal

Payment for the Year 10 & 11 Formal is due NOW. If you have any queries please see your year level Student Manager. Payments to be made at the General Office.

### CASEA Program

Dear Families,

I am pleased to let you know that the **CASEA** program will be introduced in term 3 with the implementation of the program happening in term 4.

Questionnaires will be sent out early term 3 to students in grades Prep to Year 3.

The program will consist of both small group student sessions held weekly as well as parent sessions over the same period. I am more than happy to assist with any queries you might have.

Georgina Convery

The **CASEA** (CAMHS and Schools Early Action) program is part of Austin Health and is partnering with our school this year. CASEA has been developed to help children understand and express emotions, and to be better at problem solving and getting along with others. Development of these skills has been shown to enhance student capacity to achieve academically. The CASEA team will be working at the school and classroom levels, as well as at the small group level.

The small group part of the program has been designed for children in Grade Prep to Grade 3. Parents from these year levels will be asked to complete a short questionnaire that will help us identify families who might benefit from the program. Invitations to participate in the group programs will follow.

We are looking forward to our partnership with CASEA commencing.

If you would like more information please contact:

**Name:** Rosalin Shafik-Eid **Contact telephone:** 9496 2822

**Website:** [www.austin.org.au/casea](http://www.austin.org.au/casea)

### Yr. 7 and Yr. 12 Buddy Program Update

On Monday 19<sup>th</sup> June, our Yr. 7s and Yr. 12s met up for a get to know you and quiz session.

Students asked each other and answered questions about their lives and shared experiences about their time at Macleod College.

They then put their combined knowledge to the test and filled out a quiz created by our College Captains.

Students had a great time with lots of laughs and are looking forward to their next session together.

Mr. Fab, Yr. 7 Student Manager

### Yr. 9 Excursion to the Shrine of Remembrance and Runner Tour.

On the 22/06/2017 the year 9 students participated in the Shrine of Remembrance, and Runner tour. This was a great opportunity for us, as we've been learning about the subjects and were quite eager to get a chance to explore further.

The Runner tour furthered our knowledge on a novel we've been studying as we visited the places the protagonist stayed and visited and the Shrine of Remembrance tour allowed us to pay our dearest respect towards the soldiers and dwell deeper into the lives of the ANZACs.

Overall, we all had a fun time and would like to thank the following teachers Mr. Fab, Mrs. Spanos, Ms. Cotterill, Ms. Dimitrovska, and James for taking us.

Dishani Karunaratne 9C

# Intensive English Language Centre (IELC)

## Farewell to our semester one students

**It is time to say goodbye to our semester one IELC students. We have had a wonderful semester together. Next term, these students will embark on a new chapter in their education in Melbourne. These students will be starting mainstream school. As their teacher this semester, I would like to wish them all the very best. They have been a pleasure to teach. I sincerely hope they continue to be active and enthusiastic learners. I was very fortunate and privileged to be their teacher (Ms Ketty Karalis - IELC teacher)**

**IELC Student evaluations of the Macleod College IELC program follow; written by each student. They would like to share these with you.**

During the time I study at the IELC class, I have learned many skills and knowledge. I improved in speaking and listening day by day. But I also need to practice my grammar by using new words everyday and learning at least 8 words every night. Moreover, now I know more about how to write an essay such as informative, persuasive and analytical. In addition, I went to the Old Melbourne Gaol, Sovereign Hill, Victoria Parliament and Healesville zoo with my English teacher and all my friends. I learned more about the animals, the tradition of Australia, Ned Kelly and so on. When I study at the IELC class, I am not only study English but also learn about Australia and make friend with other international students. I become more confident when I speak English in front of the class and make friend with the other students. After twenty weeks, I just say I can go to the mainstream school confidently. **(Hannie Nguyen year 10)**

Studying in the IELC class for 20 weeks, I have improved a lot. I always work hard, being positive and enthusiastic, and I am becoming more organised after these 20 weeks. But I still have a lot to improve. I realise that sometimes I'm not focusing in class, and it's hard to applying effort for all subject. Also I need to learn to speak English and use the new vocabulary when I'm talking to my peers. Furthermore, I've learnt how to write different kinds of essays, such as informative, persuasive and analytical. And I can almost use fluent English when I'm doing my oral presentation. Also reading and watching news everyday after school, helps me to do a better job in listening, speaking, reading and writing. Furthermore, I've developed a habit, which it's to be more organised, I started to get use to put my work sheet in the folder so I won't lose any of them. Moreover, in our IELC class, there were plenty of specialist subjects, such as art, sport, science, music and math, which help us to learn some technical term. We also went on excursion, such as Old Melbourne Gaol, Sovereign Hill, Healesville Sanctuary and the Victorian parliament, I also practiced doing tests and exams, just like mainstream school. I've made some new friends too. But I'm also feeling worried about the new life in mainstream school, I'm worried that understanding the instructions in English in all subject, and the homework, the test in the mainstream school school will definitely be harder than the things

I've learnt in the language centre. But I still want to look forward to go to my mainstream school to work hard, and try my best.

**Zoey Zhou year 10**

After twenty weeks in the IELC class, I have gained a lot. Now I am hardworking and I can be positive and enthusiastic with my schoolwork. I can organise my folder as well. I am also polite and use good manners. But I still have many weaknesses, such as using new vocabulary when speaking, speaking English with peers, applying effort in all subjects. What's more, I enjoyed my excursions on Old Melbourne Gaol, Healesville Sanctuary, Sovereign Hill and so on. I especially like science, music, art sport and many activities in mainstream, for example, Anzac day commemoration. To face my high school life, I have many challenges, I don't know if I can understand all the instructions in English, completing mainstream school work requirements. I aim to work harder, speak English for the majority of the day. I am really looking forward to mainstream school.

**Chao Xie year 10**

After twenty weeks in the IELC class, I have improved a lot. I think now I am hard working, active, organised and trying hard. But, everyone have weakness. For example, I need to stay focused in class and I should use new vocabulary when I was speaking with teachers or friends. I should practise grammar and reinforce my skills about listening. Now I am able to write for the Macleod College Newsletter and finish more grammar. I am trying to speak more English with my friends. I do early commencement for 2017 classes. Also I have some excursions to Healesville Sanctuary, Old Melbourne Gaol, Sovereign Hill and Victoria Parliament. The fact is in my school life, I've got many problems, I can't understand instructions in English in all subjects. I should speak English for asking questions or chatting with my friends. I have to listen to teachers in class. I need to complete mainstream senior school exams. In this period of study, I got many new skills. Like I can write different essays, informative, persuasive and analytical. I am trying my best to speak English for oral presentation. I have seen improvement in speaking, reading, listening and writing in English. **Sylvia Li year 8**

I enjoyed going to excursions to; Old Melbourne Gaol, Healesville Sanctuary, Victoria Parliament and Sovereign Hill. **Solomon Wang year 7**

In this 20 weeks, I studied English, I think my progress is not bad. But I now have to communicate with the local people. If I do my English will become better, but I think I want to improve my management ability and focus. I need to keep my folder organised. I also need to improve my spoken language, but I am much better now than before. I need to get rid of the shortcomings of my analysis, I think it is good that I am hard working and positive, and I think I am young so I can learn. I went on many excursions and I learnt that the city has a lot of very beautiful places like Healesville Sanctuary,

Sovereign Hill/Blood on the southern cross. My advantage is my ability to learn. I think the biggest obstacle is my spoken English language, but now much better than before. What I can do better is speak more English, my ability to manage my folder and be organised and I can read the newspaper more to read local and international news.

**Gary Zhou year 10**

Twenty weeks in the IELC class, I have learnt a lot I need to use more new word when I am speaking in English. I need use new word to make sentences. I have learnt persuasive techniques. I have specialist classes - art, sport, math, PE, music, science and library I go to library to do read news and books. I also went on many excursions. When I go to mainstream school I have a lot of work I need to do, it is going to be very hard. I need make more friend and keep talking to others in English. **Alex Wang year 10**

After twenty weeks in the IELC class, I meet many new friends their names are Gary, Alex, Rae, Solomon, Shawn and Mina. Sometime Mina was like my teacher. She taught me how to do the work. And I have the teacher her name is Ketty Karalis. She is a good teacher for me. Ketty teach me how to use English, writing essays and oral presentation. Now I think my English is good and I am hardworking. positive and humorous. The only thing I need to improve is my spelling words. I also need to use my new vocabulary when speaking with my friends. And I have some sport skills, like playing badminton. **Oscar Oon year 8**

After twenty weeks in the ELC class, I have improved a lot. Now I am organised, hard-working, social and friendly and enthusiastic. I also have many weaknesses. I cannot use new vocabulary when speaking. My pronunciation and listening skills need improvement. And grammar is a big challenge for me. And I need to speak more English with peers. Furthermore, I have achieved some skills. I speak English better than in the past. Now I can write many kinds of essays, such as informative, persuasive and analytical. Moreover, there were plenty of specialist classes, they are Art, Physical Education, Math, Library class and Music. We also had some excursions together, such as Old Melbourne Gaol, Melbourne watch house and Ned Kelly trial and Sovereign Hill and so on. The fact is, in my high school life, I have many 'challenges': I need to understand instructions in English in all subjects. And using English to communicate - with teacher and peers. Completing mainstream school work requirements, of course, will be more difficult than the school work in language class. **Crystal Ma year 10**

After twenty weeks in the IELC class, I can learn more, more comprehensive things. But to do that I need to work harder, never give up again and learn from others. I need more vocabulary and read more English books. I have a little bit of time left to learn the skills, now I can write properly many things, although my words can't be expressed fully and correctly. I will study hard in the later days about Australia. I need to adapt to the environment of schools in Melbourne. Although I am more worried about high school subjects, but I can see I am becoming better. **Shawn Gao year 10**

When I finished in the IELC class, I have acquired better skills. I learnt to be social and friendly. I have humour; I am positive, energetic, and enthusiastic. But I still have some weaknesses such as, improving listening skills, grammar and pronunciation. Now I can communicate with everyone, face to face. I can do many kind of presentations. I can also write essays such as informative, persuasive and analytical. When I introduce my oral presentation, I can give eye contact and speak English very well in front of everyone. While studying, I have some specialist classes as art, sport, math, science, music. I attended year 9 meetings and excursions and make friends in the mainstream school. I also did the year 9 Naplan test. We also have some excursion like Melbourne Gaol, Sovereign Hill. Every teacher always nice with me when I need to ask for help in class. Learning things make me grow up everyday and gradually complete myself and make me better.

### **Rae Huynh year 9**

Honestly I've improved throughout these 4 months at Macleod College Intensive English Centre. By being ambitious I have improved my intelligence, creativity and courage. Similarly, I will continue to try for a leadership role in the future. I have, nevertheless, notice that pride, fickleness, and being unorganised as my weakness. During this period I attended Year 10 basketball elective and other specialist subjects. I was part of the various excursions with the IELC. I will also be doing my year 10 work experience before the end of term. This gives me the opportunity to practice my English language skills and other abilities though I also feel exhausted by the heavy study workload. I totally feel that the IELC was such an impressive experience that I appreciate so much.

### **Zachary Li year 10**

After twenty weeks in IELC class, I have improved my English a lot. I think I am organised, positive, energetic, hard worker and willing to learn. I need to improve my focus in class and I need to apply effort in all subjects. I have attained a lot of skills. I can read newspapers, speak English for oral presentations. Fortunately I met and make friends in the mainstream school. I can speak with them and they can help me. I attended some specialist classes like art, science, maths and sport that I learn a lot of things in those classes. We had a lot of excursions together, such as Healesville Sanctuary, Old Melbourne Gaol and the Kelly trial and Victorian parliament and Old Treasury Building.

### **Mina Mohammad Zaki year 10**

After twenty weeks in the IELC class, I have improved a lot. I can speak English with fluency and have good pronunciation. Not only that, I am improved in all areas. The only thing that I need to improve is being organised with my folder and my belongings. Sometimes, I lose my handout. And, I have much confident that I will do better in mainstream.

### **Nafee Zarif year 7**

Sustainable Macleod & the  
**Macleod Organic  
Community Garden**

presents...

This week's offer

#### **Tip of the Week**

*It seems hard to believe that we have already reached the winter solstice and that the days will soon be feeling longer as we head out of winter towards spring. So, with that in mind, have you done your winter pruning yet? Some people like to wait until late winter (mid-July) but, if you have the time and inclination, now is as good a time as any, particularly if all your leaves have fallen!*

#### **It's Cold Out, but Inside our Polytunnel...**

....a vanilla orchid bravely shoots upwards.

And our newly built inside bed provides warmth and care for baby brocolletti and other plants.....

The **Macleod Organic Community Garden** is open  
Wednesdays, 1 – 3pm and Saturdays, 1 – 5pm  
Entrance Somers Ave (Rear of Macleod College)  
New members welcome!  
For more information, contact  
[sustainablemacleod@gmail.com](mailto:sustainablemacleod@gmail.com)

**\$10 Entry**

**Eid Mubarak!**

All proceeds going towards victims of the Somali drought

-African Women's Action Group (AWAG) invites you to the **Girls only Eid Celebration:**  
**When: Friday June 30, 6-11pm**

## Careers

**Compare important data between education institutions:** Choosing the education institution that is right for you is crucial. Not only will it increase your chances of completing your course, it makes good economic sense to thoroughly research your options.

The Quality Indicators of Teaching and Learning (QILT) website enables students and families to compare data between universities, private providers and TAFE institutes in course areas they are interested in taken from current students and recent graduates of the institutions.

Measures include:

- Overall quality of education experience
- Teacher quality
- Learner engagement
- Access to learning resources
- Access to student support
- Experience of newly qualified graduates
- Teaching scale
- Skills scale
- Employment outcomes

To access the website, go to [www.qilt.edu.au/](http://www.qilt.edu.au/)

**Science news:** Be inspired by the latest stories featured on RiAUS – Australia's Science Channel.

Some of the topics covered this week include:

- How eating chocolate may actually make us healthy
- Earth's accidental force field
- Tracking the spread of the Zika Virus through DNA
- What's your ultimate career? Take the survey and go into the draw to win great prizes

Access the stories at this link - <http://bit.ly/2rwlzNV>

**Learn about the Aspire program at La Trobe University:**

- **Years 9 – 11:** If you are engaged in leadership and community service through school and/or in the community you are eligible to apply for the La Trobe University Aspire Generation program. Successful applicants will be supported to participate in a range of volunteer and leadership opportunities hosted by La Trobe in conjunction with various community organisations.

- **Year 12:** Applications for the La Trobe University Aspire Early Admissions program open on Thursday 1 June for current Year 12 students who plan to study at La Trobe in 2018 or 2019.

For information on both programs and to apply, go to <http://bit.ly/1cXetap>

**Passionate about health and wellbeing?** Victoria University (VU) health clinics are open to the public. VU students under supervision from qualified teaching staff provide treatments at the following clinics:

- Clinical Exercise and Rehabilitation
- Dermal Clinic
- Massage Clinic
- Nutrition Clinic
- Osteopathy Clinic
- Psychology Clinic.

For information on services, costs, and to book an appointment, go to <http://bit.ly/1UdLsWg>

## Have you considered studying hotel management?

This is an exciting industry with opportunities to work in Australia and overseas. Hotel management suits students who enjoy interacting with people from different backgrounds, enjoy travel, have excellent communication skills, are highly organised and enjoy solving problems. Being able to speak a second language is highly desirable in the industry.

The following are examples of institutions that offer courses in hotel management:

- The Hotel School Melbourne: <http://bit.ly/2sd33ax>
- William Angliss Institute, Melbourne: <http://bit.ly/2aKOtyz>
- Australian School of Management, Melbourne: <http://bit.ly/2reU9fk>
- International College of Hotel Management, Adelaide: <http://bit.ly/2qu6BF1>
- Blue Mountains International Hotel Management School, <http://bit.ly/2rN93KG>

**Nuclear Medicine Scholarships at RMIT:** If you are considering applying for the Bachelor of Applied Science (Medical Radiations) at RMIT for the 2018 intake, you may be eligible to apply for the Victorian Department of Health and Human Services Nuclear Medicine Scholarship, which is worth \$10 000 over three years. Applications will open later this year. For information, go to <http://bit.ly/1DXIYeq>

**Courses at Australia National University (ANU), Canberra:** ANU has developed a downloadable 'Career Wheel', which gives an overview of the courses on offer, VCE/HSC subjects they align with, and potential career pathways. Download the Wheel at this link - <http://bit.ly/2sdC9zr>

**Science at ANU:** You can now take a virtual tour of the amazing science labs at ANU. Just go to this link to navigate around the campus, <http://bit.ly/2s6xPTr>

**Interested in Veterinary Nursing?** This is a fantastic occupation for those who are passionate about working with animals. Veterinary Nurses assist Veterinarians in all aspect of animal patient care, including surgical procedures, laboratory testing, medical treatment, and consultations.

To become a qualified Veterinary Nurse, you usually have to study the Certificate IV in Veterinary Nursing whilst undertaking paid employment in a Vet clinic. This can be completed through a traineeship or online study. Once qualified, you can undertake further study to specialise in dental, surgical or emergency and critical care. For information on this occupation, go to <http://bit.ly/1OXBCGx>

You may also consider studying a paraprofessional qualification at the university level:

- **Associate Degree in Veterinary Nursing, Melbourne Polytechnic:** This is the first paraprofessional veterinary nursing qualification of its type in Australia, <http://bit.ly/1JdNWUe>
- **Bachelor of Veterinary Technology, Charles Sturt University:** this course can be undertaken at the Wagga Wagga campus or online, <http://bit.ly/1BCc1w4>

**Interested in plumbing?** If you are completing school at the end of the year and are interested in pursuing a career in plumbing, you may be interested in undertaking a pre-apprenticeship in plumbing at the Plumbing Industry Climate Action Centre (PICAC) at Brunswick. This is a world-class training facility. For more information, go to [www.picac.com.au/](http://www.picac.com.au/)

**Interested in becoming a pilot, firefighter, or paramedic etc.?** The Pilot Aptitude Training Systems (PATS) website explains the process for Year 12 completers to apply for these different courses and occupations. It also explains the process for applying to the Australian Defence Force Academy (ADFA). To view the site, go to [www.pilotaptitude.com](http://www.pilotaptitude.com)

**New cybersecurity degree at La Trobe University:** From 2018, La Trobe will be offering the new Bachelor of Cybersecurity degree at the Melbourne campus. The course has been designed to address the global shortage of cybersecurity professionals. Also on offer are two double degrees, including Cybersecurity/Commerce and Cybersecurity/Psychological Science, allowing students to graduate with an even deeper breadth of skills.

The new degree has been designed by industry - including the Australian Signals Directorate, Optus, Cisco and Hewlett Packard Enterprise. Learn more about the degree on pages 20-23 of the 2018 Undergraduate Course Guide, <http://bit.ly/2rwRz5l>

**La Trobe University Online:** If you would like to study at university in the future, but don't want to move away, you can study courses through La Trobe online. To view the range of courses, as well as entry requirements, go to <https://online.latrobe/>

**Courses at the Victorian College of the Arts (VCA):** At the VCA, undergraduate students can study Contemporary Music, Dance, Animation, Film & Television, Screenwriting, Music Theatre, Production, Acting, Theatre, and Visual Art. The VCA recently relaunched *Precinct*, which is its online information platform and has many interesting articles on the Faculty activities and achievements, including the new Bachelor of Arts specialization of Acting and Theatre. Go to <http://bit.ly/2reTsTs>

## UPCOMING EVENTS

**University of Melbourne Juris Doctor (JD) Showcase:** The JD provides students with a postgraduate law qualification. Students can apply for the JD once they have completed a Bachelor degree in any field. Students have an opportunity to find out what it is really like to study law at the University of Melbourne. Program highlights include: panel discussion with JD students, two Melbourne JD Sample Seminars, and Dispute Resolution interactive session. The Showcase will be held 4 July between 9.00am-3.00pm at the Melbourne Law Building. For information and to register, go to <http://bit.ly/2s6l3Uj>

## UNIVERSITY EXPERIENCE DAYS

**Deakin Inspire Days:** Deakin University is hosting Inspire Days at the Burwood and Geelong campuses. You will be able to listen to amazing guest speakers, participate in two hands-on events, and speak to current lecturers and students. The following sessions are running:

### Burwood campus, Tuesday 4 July:

- Learn from the world's best in sport
- Carve out a career in food and nutrition
- Get a sneak peak at being a nurse or midwife
- Get career ready with Arts and Education
- Gain an insight into the brain by studying psychology
- Life sciences laboratory experience
- Immerse yourself in virtual reality
- Test your design and building skills
- Be successful in the business of sport
- Be part of the future of accounting
- Law: Take part in a mock trial
- Humanities and social sciences
- Good reasons to study philosophy
- Experiment with science and teaching
- Education: Inspire others to learn
- Take campus tour/check out accommodation/learn about global exchange

### Geelong Warrn Ponds campus, Thursday 6 July:

- Learn from the world's best in sport
- Be successful in the business of sport
- Get career ready with Arts and Education
- Gain an insight into the brain by studying psychology
- Immerse yourself in virtual reality
- Test your design and building skills
- Be part of the future of accounting
- Law: Take part in a mock trial
- Humanities and social sciences
- Good reasons to study philosophy
- Education: Inspire others to learn
- Solve a murder in the crime scene house
- Take campus tour/check out accommodation/learn about global exchange
- Medical Imaging
- Design a computer game
- All eyes on our optometry course

For more information and to register, go to <http://bit.ly/2pb23CK>

**RMIT Experience Days:** Don't forget to register for the Experience Days, which are running during the mid year holidays. There are 6 themed days:-

- 3 July Business
- 4 July Science
- 5 July Engineering
- 5 July Health & Biomedical Sciences
- 5 July Design
- 6 July Marketing, Public Relations & Advertising

For information, dates and to register, go to, <http://bit.ly/2qRca05>

## UPCOMING EVENTS

### Australian Catholic University Experience Day:

University Experience is a hands-on event, where you will be able to participate in a range of activities related to the course area of your choice. The following sessions are running:

#### Melbourne campus, Tuesday 4 July:

- Digital media, Radio – the new black?
- History and Politics: Using the past to illuminate the present
- Visual arts: Printmaking workshop
- Business: Marketing for young entrepreneurs
- Early childhood and primary education: Learning through play in the early years
- Education and science: The great science challenge
- Primary education: Equality and algebraic thinking
- Primary education: Visual literacy and comics
- Exercise science: participate in exercise testing
- Law – American genius – Jobs v Gates
- Occupational Therapy and Speech Pathology
- Philosophy and ethics: The big questions
- Psychology and counselling
- Public health: Disease detectives
- Science/biomedical science: undertake practical activities in the lab.
- The following sessions are full: nursing, midwifery, and paramedicine.

#### Ballarat campus, Tuesday 11 July:

- Early childhood education: Learning through play
- Education and science: The great science challenge
- Exercise science: participate in exercise testing
- Nursing and paramedicine: Think quick, save lives
- Physiotherapy: Explore movement
- Primary education: Mathematics learning in the 21<sup>st</sup> Century
- Science and nursing: Understanding blood types

There are very few places remaining in sessions, so please register today! For more information and to register, go to <http://bit.ly/2pb23CK>

## UPCOMING EVENTS - JULY

- **2 – 9, or 9 – 16: Trinity College Young Leaders School,** University of Melbourne, <http://bit.ly/2qHVL1x>
- **3 – 6: RMIT Experience Days,** register ASAP, <http://bit.ly/2qRca05>
- **3, 4: Animal and Veterinary Science MyDay,** Charles Sturt University, Wagga Wagga, <http://bit.ly/2kVYa5R>
- **4: Juris Doctor (JD) Showcase,** University of Melbourne, <http://bit.ly/2s6l3UI>
- **4 – 5: TAFE holiday programs,** Federation University, Ballarat, <http://bit.ly/2qNMpPf>
- **4, 11: Experience Day,** Australian Catholic University, Melbourne (4), Ballarat (11), <http://bit.ly/2pb23CK>
- **4, 5, 6, 7: Experience La Trobe University,** four campuses, <http://bit.ly/2p07y7b>

## Community

### FREE Course

### Social Media-Business Marketing

Are you wanting to gain knowledge about online marketing?

This program will cover basic skills to use Social Media platforms as a marketing and promotional tool?

Content will include:

- Identifying Social Media Apps

- Science, Biomedical Science, Physics, Anatomy
- Health Sciences, Nursing & Midwifery, Physiotherapy & Podiatry, Orthoptics, Paramedicine, Speech Pathology & Occupational Therapy, Audiology, Dietetics, etc.
- Commerce, Accounting & Finance
- Media Industries & Communication, Journalism,
- Events Management, Marketing, and Public Relations
- 3D Printing
- Teaching
- Politics and International Relations
- Civil Engineering and Robotics
- Psychology & Social Work
- Sport degrees, Sport & Exercise Science
- IT - Applications Development, Network Tech, Cybersecurity
- Animal & Veterinary Biosciences
- Sustainability & International Development
- Archaeology, Languages
- Criminology and Law

You will receive a free lunch and be able to speak with current students and lecturers. To view the full list of workshops and to register, go to <http://bit.ly/2p07y7b>

## UNIVERSITY OF MELBOURNE

**UniExperience Melbourne:** If you are in Year 11 you may have the opportunity to apply for the two-day University of Melbourne UniExperience program being held at the Parkville Campus on Thursday 6 – Friday 7 July. Cost is \$100 and the program includes: One night accommodation and meals, guided campus tour, information on courses, social activities organised by current University of Melbourne students, and workshops on the transition to university, student support, accommodation, scholarships, and study tips.

To find out if you are eligible and to apply, fill out the online application form at <http://bit.ly/1Nvot8>

**A Day at Melbourne University:** You will be able to find out about courses at the University of Melbourne on Friday 7 July. You can learn about:

- Undergraduate degrees and graduate pathways at Melbourne
- Unique opportunities to enrich your degree such as concurrent diplomas and going on exchange and study abroad
- Admissions and entry requirements
- Access Melbourne and Melbourne Scholarships
- Accommodation options

You will also be able to participate in a session focusing on the course you are interested in. Information will be at this link soon, <http://bit.ly/2eHYbXk>

**Victorian College of the Arts and Melbourne College of Music – short courses:** Short courses will be run during the mid year holidays in course areas such as:

- Film and Television
- Acting
- Music Theatre
- Youth Jazz Ensemble
- Visual Art
- Production

For a full list of short courses, dates, and locations, go to <http://bit.ly/1HT4SuD>

## HOTEL MANAGEMENT

**Career Week at the International College of Hotel Management:** If you are interested in business, hospitality, working overseas, and working with people from different cultures you may enjoy a career in international hotel management. The International College of Hotel Management is running a 'Career Week' at their Adelaide campus between 10 – 14 July. For information and to book your place, go to <http://bit.ly/2qRmJ3d>

## VCE WINTER SCHOOL

**Faculty of Arts, University of Melbourne - VCE Winter School:** Developed in consultation with VCE experts and examiners, this is an excellent opportunity for VCE students to prepare for Literature, History, Italian and French exams with Australian and international scholars who are experts in their fields. Dates are between 11 – 16 July. For more information and to register, go to <http://bit.ly/2eRuQos>

## CAREERS AT THE ZOO

**Are you in years 7 – 12? Do you want to work with animals?** The following programs will run during the mid year holidays.

**Keeper for a Day:** Are you an aspiring zookeeper? Find out what it takes to care for an amazing array of animals at both Healesville Sanctuary and Werribee Open Range Zoo. Learn how you can help us to fight extinction and be a hero for wildlife.

**Vet for a Day:** Come along and work alongside our heroes, our veterinary staff, who work on real cases involving Healesville Sanctuary's animals, endangered species and injured wildlife.

For information, dates, and to register, go to <http://bit.ly/2pMDPPA>

### UMAT PREPARATION

**UMAT Preparation Day:** Students in Year 12 interested in applying for medicine, dentistry or optometry may need to sit the Undergraduate Medical Admissions Test (UMAT) on 26 July. Registrations close on Friday 2 June, <https://umat.acer.edu.au/>

National Institute of Education (NIE) will be conducting a UMAT intensive preparation day on 6 July at St Vincent's Hospital, Melbourne. Places are strictly limited. To book your place, go to [www.nie.edu.au/](http://www.nie.edu.au/)

### INDIGENOUS STUDENTS

The Murrup Barak Experience Camp is for Aboriginal and Torres Strait Islander students in Years 11 & 12 who are intending to complete the VCE or similar pathway and have an interest in going to university. The camp will provide students with hands on interactive experiences highlighting the support available, the University of Melbourne experience as well as opportunities to engage with various faculties and other Aboriginal and Torres Strait Islander students. The program includes:

- A Welcome to Wurundjeri Country
- Discussion sessions with academics and students from several faculties
- Various campus and faculty tours
- Yarning circles with current Indigenous students
- Melbourne experience from a student perspective
- Meet and greet with Indigenous staff and students
- University life

When: 11th - 16th July Cost: FREE (including return flights, airport transfers and full board accommodation at Trinity College.)

**Indigenous Student Experience Monash Day:** This day will be held on 27 July at the Clayton campus. Students will be able to participate in hands-on sessions that explore different course and career areas such as Business, Arts, Architecture, Law, Medicine, Engineering, Nursing, Health Sciences and Science. Students will also find out about the application process for Monash University. For more information and to apply, email Kristel Keleher at [kristel.keleher@monash.edu.au](mailto:kristel.keleher@monash.edu.au)

### NURSING, MIDWIFERY

**Deakin University:** You have the opportunity to learn more about the innovative nursing and midwifery degrees at Deakin University. The evening sessions are running on the following dates:

- Melbourne campus – 26 and 29 July
- Geelong campus – 26 and 29 July
- Warrambool campus – 11 August

For information and to register your place, go to <http://bit.ly/2pbrTdT>

### SCIENCE TOUR AT MONASH

If you are interested in studying science at Monash University, you can book a science precinct tour. You will be able to visit the new science facilities and learning spaces, get a feel for campus life and have a chat with current science students along the way. These tours are very popular so registration is essential. <http://bit.ly/2r8hm3d>

### TRINITY COLLEGE YOUNG LEADERS

**Trinity College Young Leaders School:** Trinity College at the University of Melbourne is running an intensive residential program for talented students aged between 14 - 17 years. You can choose one of the below week-long themed academic programs:
