## Principal's Report

### Parent Forum

I would like to thank the parents who attended the Parent Forum last Wednesday. Parents and Council members held discussions and proposals were put forward. These will be collated and disseminated as soon as possible.

### Leadership

#### STUDENT LEADERSHIP 2016/2017 SELECTION PROCESS

As many parents and students are aware the College changes its student leadership positions each year at the beginning of term 4 for the following school year.

Students and parents should be talking about the leadership opportunities being offered at the College and discussing the benefits in taking on a leadership position.

Student Leadership is an important focus of Macleod College. Taking on leadership positions enables students to develop public speaking, team work and communication skills.

It also gives students a sense of responsibility and provides the opportunity to develop future directions for the College as well as undertake tasks which will make a difference to the life of students at Macleod College and the wider community.

### Interim Reports

### College Car Park

The College is seeking opinions from the community on a redesign of the car park to achieve the safest result for students and drivers. Parents who would like to be involved in the committee to review this process are asked to contact the General Office on 9459 0222. A proposed plan for the redesign is displayed at the front of the Office. Your comments would be appreciated.

### 2017 Planning

Our planning for 2017 is well underway. Our budget next year is based on the number of students enrolled at each year level and it is very important that the figures we use for our calculations are as accurate as possible.

If your child is not returning to Macleod College in 2017 to continue their education, I would ask that you contact the following staff members:-

- Georgina Convery (Prep - Year 6)
- Michelle Wallis (Year 7 - 12)

or email the college [macleod.co@edumail.vic.gov.au](mailto:macleod.co@edumail.vic.gov.au)

### Victorian Tall Poppies - Young Scientists

On Monday 22<sup>nd</sup> August we were lucky enough to meet 6 Victorian Tall Poppies: Young Scientists who are high achievers in their field and to hear about their research and goals. This opportunity just put into perspective how much Science does for us from climate change to cancer research.

### **Year 8 Girls Futsal**

On Wednesday, 19<sup>th</sup> August the Year 8 girls played Charles La Trobe in a Futsal match. Unfortunately we did not win but all the girls put in a great effort.

The girls showed great commitment and enthusiasm in attending training and they supported each other during the game. Thank you girls for being such a delight to coach.

Team: Maddie Fraser, Jelena Kalem, Hannah Hassan, Melina Marhendrini, Yasmin Mohammed, Aisha Fezollari, Maymun Ahmed, Bureqo Ali, Chantelle Dela Cruz and Charlotte Picton (unfortunately injured on the day).

**Mrs Moussa - PE Department**

### **Chaplaincy & Wellbeing Support Group Walkathon/Fun Run Wednesday September 14<sup>th</sup>**

We are looking forward to helping out with this event in 'Move it Macleod' week. Students from Prep to 6, Year 7, 8 & 10 are encouraged to obtain sponsors, perhaps as a money per lap amount, or just as a general donation.

Receipts can be given for tax deductibility if requested. There will be a prize for the top 10 fundraisers, thanks to a donation of some sports equipment from a local sporting goods supplier.

All students should have received a letter and sponsorship form

### **Save The Date! Trivia Night Friday October 28<sup>th</sup>**

The Chaplaincy and Wellbeing Support Group, with the help of the local VERB Uniting Church youth group, will be running a Trivia night in the Impact Centre.

This should be a lot of fun and we are looking forward to a great night. So put it in the diary: Friday, 28<sup>th</sup> October, from 7pm til 10pm. A flyer with more details will be coming shortly.

### **AND DON'T FORGET - SHOPPING TOUR SATURDAY 8<sup>th</sup> OCTOBER**

**See flyer in this newsletter, a great day out while shopping for bargains and a delicious lunch**

### **National Science Week**

For National Science Week this year Macleod students participated in a Citizen Science Project.

The project required us to identify images of animals caught in photo traps from all around Australia. The images included Malley Fowl and Goannas and feral species like Cane Toads.

By acting as Citizen Scientists we were able to assist professional scientists in collecting data from over a million photos.

### **Schools' National Tree day**

Schools' National Tree day was celebrated at Macleod College with the planting of 150 wildflowers next to the Impact Block.

We are lucky at Macleod to have so many mature indigenous and native gum trees providing habitat for local species that we decided wildflowers would be the best way to boost our contribution to biodiversity.

Big thanks to the Banyule Council for supplying the plants and to the primary and secondary students who participated.

## Year 11/12 German Camp

From the 17<sup>th</sup> to the 19<sup>th</sup> August, the Year 11 and 12 German classes headed up to Upper Plenty Conference Centre for German camp. Naturally, we had to speak German (or at least attempt to) the majority of the time we were there, as well as actually do some German work (what kind of camp has work!?!?) However, there was still time for fun. There was a trivia night all about Germany and German culture, we watched a German movie, learnt some Latin dancing (yes, Latin, not German, really should be treated as hearsay at a German camp)... Okay, it doesn't sound like much, but it's really enjoyable, trust me!

The place is situated near a lot of nature, and is a really great place to just explore in your free time, or you can use the tennis court there for some friendly (or in some cases not-so-friendly) sport games, or just sit back and think about whatever relaxes you (in German, of course!)

Overall, German camp was a great experience, it definitely improved my German skills, and I'm glad it was the last camp that I got to attend during my high school years.

**Troy Simmons - Year 12**

On Wednesday, the 17<sup>th</sup> August, the Year 11 and 12 German classes departed for a three-day German Immersion Camp. Upon arrival, the Year 11s got straight into work. Over the three days, we worked on the theme of Fairytales in order to write our own fairytale (in German) for an upcoming assessment. Apart from working very hard, we were also able to have a lot of fun! We watched a German film, learned Latin dancing and had a German dance party. We all thoroughly enjoyed it and are very excited for next year's camp.

# MUSIC ACADEMY NEWS

MACLEOD COLLEGE/ISSUE 3, AUGUST 2016

## BIG BAND SILVER MEDALISTS AT ESSENTIALLY ELLINGTON

The Macleod College Big Band have once again excelled in their performance at the recent Essentially Ellington festival held at the Darebin Arts centre. In an open section against some of the best bands in the country, our band received a silver award. Essentially Ellington is a festival that celebrates the music of Duke Ellington and other great band leaders, such as Count Basie and Benny Goodman. Representatives of the Lincoln Centre, New York who run the program, Vince Gardner and Reggie Thomas were in attendance to not only adjudicate the groups, but work with the band to improve their performance and understand the genre. Students at Macleod were fortunate to work with Vincent 12 months ago at our music camp and that day had a profound effect on the way the students and staff approach their learning and performance of the music. It was a great opportunity a year on to present our program to Vincent and show our development. The day after the festival, Mr Jones and Mr Ziino participated in the directors conference which will help to improve the program.

### **MUSIC CAMP FERNGULLY LODGE**

Without doubt, one of the highlights of the year is always the music camp to Ferngully Lodge. This year was no exception as over 40 students and music staff spent 4 days playing music and participating in activities to build team work and spirit. Whilst a lot of fun, the week is not easy and everyone pushes themselves to get better in preparation for the concerts and competitions that lay ahead. There were daily rehearsals for all of the ensembles and each day started with yoga, focus exercises and a good sing! The advancement made by all of the students is always great to see as it is the equivalent of a terms work in 4 days. It is also always

great to see the students on camp for the first time and how students from years 6 - 12 interact with each other. As one student was heard to say at the end of their first camp "That was the best group of people I have ever been on a camp with!"

### **A WINTERS EVENING OF MUSIC**

On Friday night, August 19, the Music Academy and Rosanna Rotary staged our first 'Night of Beautiful Music' soirée at the Austrian Club in Heidelberg. Our VCE music students presented parts of their performance programs, while the Chamber Strings and Big Band performed the sets of music that they will be taking to Ballarat for the Royal South Street Eisteddfod. One of the highlights of the night was the debut of Megamouth, a chorus of over 40 voices sang a set that they too will perform in Ballarat. It was the largest choir that Macleod has seen for many a long year and a great addition to the program. Many thanks go to Rosanna Rotary and Brian Summers for initiating the evening in such comfortable surrounds, which also raised \$1000 for the academy.

### **PRIMARY ORCHESTRA BEGIN PERFORMING AT ASSEMBLY**

A new initiative for term 3 has been the primary orchestra performing weekly at the P-6 assembly. Each week the students perform the national anthem and our aim is to continue to add musicians to the group as we go. Once students have learnt the anthem they can audition for the Orchestra leader, Ms Tanya Zhang and join the group. Copies of the music can be obtained by asking your music teacher.

### **SOUTH STREET EISTEDDFOD - CHOIR PLACES 3rd!**

Megamouth, the Macleod College Choir has achieved their best ever result at the Royal South Street Eisteddfod placing 3rd. This is a fantastic result in a large field competing against much bigger schools than our own and is a credit to the 46 students who sang and the staff who helped prepare them. Fantastically led by vocal teacher, Mr John Flanagan, Megamouth performed a set of songs from artists such as Tom Waites, Paul Kelly and the band Toto that demonstrated their diversity and the great sound they can produce. The choir was rebuilt at the start of this year to encompass students from instrumental ensembles as well as the singers and has methodically built to this point. The singing that the students have undertaken has had a large impact on many areas of their wider playing, but on a cold day in Ballarat the joy of singing and achieving together was the biggest prize.
