

Macleod P - 12 College

Newsletter Issue 15, 18th October, 2016

CLASS OF 2016

Principal's Report

This newsletter marks the farewell of our Class of 2016. Students begin their VCE exams on Wednesday 26th October and I know that you join with me in wishing them all the best for their exams and for the future.

The College community celebrated their departure with a whole school assembly in the stadium yesterday morning followed by a morning tea hosted by their Year 7 buddies.

I would like to thank College Captains Madeline Stier and Tom Abbey and the outgoing college student leadership team for their outstanding involvement and commitment to Macleod College during their tenure this year. They have performed their roles admirably and have been solid advocates for the entire student population.

Student leaders are the heart and soul of the College, supporting staff and students and leading many College events.

Car Park

The changes to existing car park arrangements have been put on hold following advice from the department regarding public liability. In particular, if parents are permitted to drive through the car park and use it as a drop off zone then the College will be liable for all injuries incurred.

The recommendation was to continue to lock the gate at pick up/drop off time and to work with our local government to develop a road safety strategy.

I have spoken to members of the Banyule council and in the short term, have asked by laws officers to enforce parking restrictions around the school. After the election this coming weekend I will meet with the councillors to discuss a long term solution to traffic congestion and pedestrian safety.

Chaplaincy

A review of Chaplaincy at Macleod College is being undertaken this term. Parents and students are asked to provide feedback by completing a survey on 'survey monkey' over the following weeks. Details of the survey will be sent out via school stream and an SMS early next week.

Cup Eve

As you are no doubt aware, Tuesday November 1st is a public holiday for Melbourne Cup Day. Traditionally, the day before this holiday (Monday, October 31st), is often used by families as an opportunity to take a longer than usual weekend break which has a direct impact on our ability to conduct regular classes.

Therefore on Monday October 31st, our *normal* school program will not be running. Students attending school on this day will be involved in a range of generalist programs and activities that may occur across individual classes and/or year levels.

Please advise the College phone 9459 0222 or email macleod.co@edumail.vic.gov.au if your child(ren) will be attending on Monday 31st October.

PLEASE NOTE:

THE CANTEEN WILL NOT BE OPEN ON MONDAY, OCTOBER 31st.

PLEASE MAKE SURE YOUR CHILD BRINGS ADEQUATE FOOD FOR THE DAY.

Thank you for your consideration and please contact the college if you require further information.

2017 Planning

Our planning for 2017 is well underway. Our budget next year is based on the number of students enrolled at each year level and it is very important that the figures we use for our calculations are as accurate as possible.

If your child is not returning to Macleod College in 2017 to continue their education, I would ask that you contact the following staff members:-

- Georgina Convery (Prep - Year 6)
- Michelle Wallis (Year 7 - 12)

or email the college macleod.co@edumail.vic.gov.au

Some of the tasks we are planning to complete are:

****PLAYGROUP - Is there anyone interested in volunteering to run the weekly playgroup?**

We currently have a few parents running the sessions however soon, these parents will no longer be available so we are looking for someone to run the playgroup on a weekly basis with the hope to have it running in particular for Term 1 2017 to assist in potential future prep enrolments. A great little program for someone with a passion for kids or a parent who would bring their child along anyway or perhaps a tertiary student looking at gaining experience?? Please leave your details with the general office if you are interested and we will be in touch for further discussion.

****ANNUAL GENERAL MEETING (AGM)** will be in conjunction with our next monthly meeting.

The positions for next year need to be filled. So if you are interested in taking on an important part in your child's school than the Parents & Friends Committee is a great place to start! So please come along and find out more about the committee and each of the positions available. We would love some new members with fresh new ideas. Please note you can only vote if you are a financial member so please bring a gold coin to the AGM.

Chaplaincy & Wellbeing Support Group Walkathon

The Walkathon on September 14th as part of "Move it Macleod" week went off really well despite the rain threatening skies. There was enthusiastic participation and competition for the most laps by some, and leisurely, chatty walking by others.

A big thank you to everyone who contributed as a sponsor. We raised just under \$500 which is a big help for the Chaplaincy and Wellbeing program. At the assembly on the last day of term, prizes were given out to the students who had collected the most sponsorship money, as well as to the students who completed the most number of laps in their age group.

We would like to thank RHS Sports in Ringwood who donated some balls and backpacks, Margaret Clarke who kindly donated some balls, and the SRC who donated some movie tickets.

Trivia Night Friday October 28th

This should be a great night – get your tickets now! You can organise a table of friends of 6 – 8 people, or we can create tables for you. The night will be a mixture of quiz rounds including music and general trivia, as well as games and entertainment.

We are being helped out by the VERB youth group of Banyule Uniting Church who assisted with our fun Vintage fashion night last year. It's BYO nibbles and drinks, with tea and coffee provided.

We will have a raffle as well on the night. We are still organising prizes for this, so if anyone has anything they could donate, small or large, that would be much appreciated.

Another Election! Saturday October 22nd

Macleod College is a voting centre for the Banyule City Council elections. Voting is compulsory for all residents so there will be a lot of people coming – and I'm sure they will be wanting a sausage as is traditional for an election! After the success of the BBQ we ran in July for the Federal Election, we are keen to take this opportunity too. **But it will need lots of helpers!** If you can give an hour or so on the day please fill in the form in this newsletter and return to the office, or call me on 0411 883 904. Thanks!

Second Hand Uniform

This is the last term in which the old style uniform can be worn by students in Years 2 – 6 and Years 9 – 12 (though Year 11 and 12 students must have a new VCE jumper). The Second-hand uniform shop has all of the old uniform at **50% off the marked price** (which is usually at least half of what the new price would have been). This includes the old Spray jackets – the new ones are slightly different, but both are acceptable as a PE jacket. So please come and help us reduce our stock!

We are still accepting old-style uniform in good condition as we are sending this, via Rotary, to the Pacific region for families in need. **We are really keen to have some new style second-hand uniform to sell!** Remember that we sell on consignment: the owner of the uniform gets 70% of our selling price (which is determined by the quality of the item, usually half the new price), and the school keeps 30%.

We process our sales several times a year and the amounts owed are deposited directly into your bank account. Please fill out a form with all your details and the items you are selling. These are available at the office and there is one printed in this newsletter. And we are always happy to accept donations as well – just drop them off at the school office.

An order form has also been included if you are unable to come to the Second-hand uniform shop when it is open on Thursdays between 3 and 3.30pm.

If anyone is interested in becoming involved with the Second-hand uniform shop, I would love to hear from you! More helpers would be great!

Election Day BBQ

Macleod College is a polling booth for the upcoming Banyule City Council election on Saturday October 22nd. The Chaplaincy and Wellbeing Support Group are running a BBQ Sausage Sizzle on the day to raise funds for the school. It would be great to have as many volunteers as possible so that we can be there from 8am til 4pm and give lots of people a chance to satisfy their hunger and support the school. If you were able to volunteer an hour or two of your time to either cook, serve or collect money, that would be greatly appreciated. Please indicate your availability below and return this form to the Office as soon as possible. Alternately, call Cathie Clarke on 0411 883 904. Thank you!

WHAT IF I DO NOT GET A HIGH ENOUGH ATAR TO GET INTO MY DESIRED COURSE? Many pathways and programs exist to assist you in getting to where you want to go.

Suggestions:

- Complete a **Diploma of Tertiary Studies at Monash University** in either Education, Business or Nursing (ATAR 50+) **OR** a Diploma of Higher Education (ATAR 65+); Indigenous pathways - See: www.study.monash/how-to-apply/indigenous-student-applications
- Complete a course at **Monash College** in Art & Design, Arts (Human Behaviour or Psychology streams), Business or Commerce, Engineering or Science; search Courses on VTAC website
- Complete a course at **Deakin College** in Commerce, Computing, Engineering, Health Sciences, Management, Media and Communication or Science
- Complete a **UniLink Diploma at Swinburne** (Arts and Communications, Business, Design, Engineering, Health Science, IT, Science)
- Complete a **Diploma at La Trobe Melbourne** in Biosciences, Business, Engineering, Health Sciences, IT or Mass Media Communications
- Complete a **Tertiary Preparation Course at RMIT** in engineering or science
- Consider studying a **related university course** with a lower ATAR; **if you do well** you MAY be able to transfer to your desired course later on
- Start with a **VET (TAFE) course** in a related field; two years of VET often equals one at university
- Complete a **Tertiary Studies Diploma at Melbourne Polytechnic** (Preston)
- **Complete a Certificate IV in Liberal Arts** – a pathway into a range of degrees. **Swinburne and Victoria Uni** have this Certificate
- Consider a **country/rural campus**. ATAR's are often lower, usually due to lower demand; most have accommodation (apply ASAP)
- For **nursing** consider first completing **Division 2** at TAFE (or a private provider) - eg. Box Hill, Chisholm, Federation, Goulburn Ovens, Holmesglen, RMIT or Swinburne
- **ACU** has certificate/diploma courses that can lead to degrees (through ACUcom) See: http://www.acu.edu.au/courses/2014/other_courses/vocational_education_training_vet/
- Complete a **Victoria University Foundations@VU** alternative entry to higher education and diploma studies course - a 13 week course designed to build academic skills needed for tertiary study. See: www.vu.edu.au/courses/foundations-at-vu-jyac
- Complete a 2-year **Associate Degree** – **Do you** want to study at university but are not sure if you will meet the entry requirements for a bachelor's degree? Several universities offer Associate Degrees (eg Deakin, RMIT).
