## Principals Report

### Water Damage

Unfortunately last weekend we sustained further water damage in a few areas of the school.

At the moment we are drying out before restoration works begin.

### Heaters

There has been a hold up regarding the tender and planning process for our new heaters and as such A, B and C block (excluding IMPACT Centre) are without heating.

Work is due to commence during the holidays and should be completed early term 3, if there are no OHS issues identified by the companies that are putting in tenders.

### Reports

Your child(ren)'s report will be available on line via our information system COMPASS next Wednesday 27 June.

Please take time to read this report very carefully.

Do not hesitate to contact teachers if you have any questions or comments to make about what is included in the reports. It is very important that we work together to maximize your child(ren)'s successes and address their areas for growth.

### Curriculum Day - Monday 16<sup>th</sup> July

Monday 16<sup>th</sup> July, first day of Term 3 will be a pupil free day as staff will be involved in Planning Meetings.

**Students will resume on Tuesday 17<sup>th</sup> July.**

Semester 1 has been extremely busy and I would like to thank the staff, students and parents for their outstanding efforts this semester.

In conclusion I would like to wish everyone a great semester break with a reminder to our Year 12 students that at least half of their break should be spent doing some form of study.

I was proud to be a Macleod College teacher.

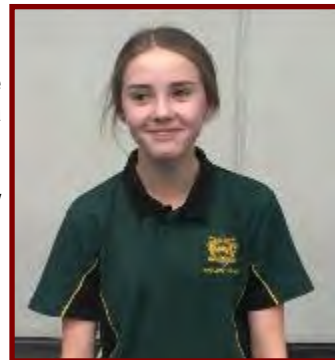

A special congratulations to Edie Bridgewater of 7A who came second in her age group with a brilliant run. Well done.

### Second-hand Uniform Shop

The Second-hand uniform shop would be very grateful to have more items to sell. So if you get the chance over the holidays to sort your children's wardrobes, please bring the outgrown or no longer needed uniform to the office.

We sell on commission, with 70% of the sale price going to the owner of the clothes. Please fill in the sellers form (available at the office or use the one that is in this newsletter) with your details, including bank account numbers, so that the money can be deposited into your account once the item is sold. We are always happy to get donations of course.

We are also keen to hear from anyone who would be interested in helping out with the Second-hand uniform shop; volunteers are always welcome.

Thank you!

## **2018 C.A.S. Hawker Scholarships**

Director of the Australian War Memorial Dr Brendan Nelson AO presented four new Charles Hawker Scholars from three states and the ACT with their scholarship certificates on Friday at a ceremony at the Australian War Memorial in Canberra.

Since 1990, the Hawker Scholarship Trustees have awarded \$6 million dollars to 122 Australian students, including a significant number from regional areas. The four successful candidates were awarded their residential C.A.S. Hawker Scholarships from a strong field of 180 applicants.

The four new scholars are studying Law, Policy Studies, Engineering, Commerce, Politics, Philosophy, Economics and International Studies. The 2018 scholars have studied in Brisbane (Qld), Canberra (ACT), Sale (VIC) and Gawler (SA). Forty friends and family, college representatives, current scholars and Trustees of the C.A.S. Hawker Scholarship attended the function at the AWM.

The four 2018 Charles Hawker Scholarship recipients are residing at Burgmann College and are enrolled at the Australian National University (ANU).

The 2018 Charles Hawker Scholarship recipients are Miss Nathalie JOHNSTONE (Trinity College SA), Mr Solomon JONES (Gippsland Grammar VIC), Miss Jennifer KERR (Radford College ACT) and Ms Olivia TURNER (Clayfield College QLD).

The late Lilius Needham, in memory of her brother, established the Charles Hawker Scholarship Trust. C.A.S. Hawker Scholarships, valued at up to \$60,000.00 over three years, are amongst the most generous privately funded residential scholarships available to Australian undergraduate and postgraduate students.

There are a number of scholarships awarded each year. The Trustees offer them to capable students of principle and character, who have demonstrated a committed to the wider community. Selection is based on personal qualities as well as academic ability.

Applications for the 2019 Charles Hawker Scholarships open on December 3rd 2018 and close on January 4th 2019. An application form and further information about C.A.S. Hawker and the scholarship is available from [www.hawkerscholarship.org](http://www.hawkerscholarship.org) or by contacting the secretary to the Trustees in Adelaide on 08 8127 1654.
