Public Transport

Please make sure that all students understand how to manage their myki cards and pay for public transport journeys.

It is an offence to travel on public transport without a valid ticket. The maximum fine is \$273!

We ask that all students familiarise themselves with common public transport laws to keep them safe and avoid being reported for public transport offences.

SRC Market

On behalf of the SRC Environment subcommittee, we'd like to thank everyone who donated pre-loved goods.

We had the market on Saturday - MC Thrifty was a stall holder at the DVCS Market, and it was a great success! We still have a lot of stock left, but also surprised with what we profited from what we sold!

The community were so supportive, and it was great to meet such amazing people.

We're thinking of doing the December market (Sat 18th) - if you would like to hang out (sunshine, and good vibes, some laughing and to chat to our community), let me know!

Thanks to Sarah Barrand for your help this weekend - such great company, and appreciate your work!
